DIGITAL DOWNLOAD / NO PHYSICAL ITEM
PDF for printing. This edition is A4.

Read this before printing

Print only the pages you need. Full files are provided in A4 and US Letter.

Print settings

Choose the PDF that matches your paper. Print at Actual size / 100%, single-sided. Turn off automatic enlargement. Check a test sheet before a full run. Colors are optional; pages work in grayscale.

Using the pack

These are fixed-layout PDFs, not editable Canva, spreadsheet or fillable templates. Write by hand, or use your own PDF annotation app. Printing supplies, devices and app subscriptions are not included.

Personal-use licence

One purchaser may print and reuse these pages for their household or one private gathering. Do not resell, share the digital files, upload to public folders, or use them for commercial events or classroom-wide distribution. Contact the seller for another licence.

Help and purchase terms

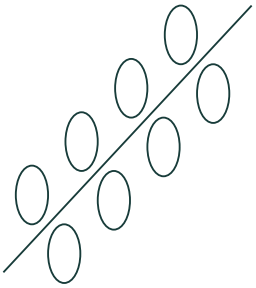

For a broken file, duplicate purchase or access problem, contact thedailytitus@gmail.com with your order details; never send card details. Digital delivery is provided by Payhip. Refunds and remedies remain subject to applicable consumer law; this licence does not remove mandatory rights.

Provenance

New text, puzzle data and geometric vector drawings were generated for this collection with AI assistance. No stock images, branded characters, copied pages or famous quotations are included. Similar ideas may exist elsewhere; originality is not a worldwide legal clearance.

Bookmark sheet 1
